- How is God active in your life *outside* of the church? Specifically, how do you experience God in your life when you are not in church?

- Next week we will be helping serve the homeless at Zion's homeless ministry, Operation Warm Heart, please reflect what you think this might be like? Also: Why are there homeless people? What can we do about it? What does serving the homeless have to do with Christianity? How did Jesus treat the homeless, the hungry, and those without hope?

- The next commandment that we will introduce is the 4th, "Honor your father and your mother." What does this mean to you? Why would God give us this commandment?

- This Sunday's Gospel reading, Matthew 3:13-17, is about Jesus' Baptism by John the baptist in the Jordan River. Of what significance has your Baptism been for you in your life?

- ★Extra Credit/Theological Mind Bender?: Why does Jesus need to be Baptized?
